

## **Emergency blood donation from DODONI for the injured in the tragic fatal accident at Tempi**

The Epirus dairy industry DODONI, in collaboration with the "Chatzikosta" Hospital of Ioannina, organize an emergency voluntary blood donation tomorrow, Thursday, March 2, to cover the blood needs of the hospitals that are treating the injured in the tragic accident that occurred in Tempi.

A mobile blood collection unit of the "Chatzikosta" Hospital of Ioannina will be present at the company's premises from 9.30 a.m. until 13.30 p.m.

DODONI expresses deepest sorrow over the tragic incident that led to the death of so many people, its sincere condolences to the families of the victims and its best wishes for a quick recovery to the injured.

Always giving priority to people and always close to society with love.
